2023 Employment Benefit Analysis for the South Central Iowa Local Workforce Development Area

Iowa Workforce Development (IWD) conducted the seventh Workforce Needs Assessment Survey during the fall of 2022 through the spring of 2023. Within this survey, data regarding the benefits employers offer their employees is collected. Surveyed employers are asked: if benefits are offered, who are benefits offered to, which benefits are offered, and the cost of benefits—among other questions.

In October of 2022, 25,160 employers operating 39,254 locations in the State of Iowa were contacted and asked to participate in the survey. In the South Central Iowa LWDA, 2,536 locations were contacted. By the end of the survey period (March 2023), IWD received 749 responses from employers in the South Central Iowa LWDA, for a response rate of 29.5% (by locations contacted).
