★ **The Hilton Honors Military Program** is available in Iowa to assist veterans, Transitioning Service Members, National Guard/Reserve Service Members, and qualified spouses with the following employment-related travel activities: to attend a confirmed job interview, to participate in training leading to a certification or to keep a job, or for pre-employment testing (physicals, aptitude, etc.) This program is an extension of the Hilton Honors point-based reward program. As an Honors Military Member, Hilton will donate a maximum of 100,000 **lifetime** points to support your employment-related travel activities. Points are awarded based on location of the Hilton property selected. Individuals must be registered with [IowaWORKS](#) and verify their status with an IowaWORKS Job Center representative.
