

SUPPORTING REGISTERED APPRENTICESHIP

2023 IOWA APPRENTICESHIP ACT (15B) FUNDING

Iowa's leading Registered Apprenticeship Programs help employers create a reliable, continuous pipeline of highly skilled workers while helping talented students jump-start rewarding careers.

The Iowa Apprenticeship Act (15B) provides annual funding to support training or ongoing costs within any active Iowa Registered Apprenticeship program. Funding available under this grant is based on the applicant's proportionate share of the statewide total of qualified registered apprentices participating in a qualified registered apprenticeship program. A qualified apprenticeship program must be registered with the DOL/OA and the program must provide a minimum of 100 in-person contact hours to qualify for funding.

Congratulations to the 2023 Awardees
