What is the intended benefit of the rule?

This rule fosters the growth and competitiveness of Iowa's workforce and industry.

Is the benefit being achieved? Please provide evidence.

Yes. 260F programs have provided community colleges and businesses with the opportunity to collaborate on training projects that improve Iowa's workforce.

What are the costs incurred by the public to comply with the rule?

Community colleges may have administrative costs associated with applying and overseeing the 260F grants.

What are the costs to the agency or any other agency to implement/enforce the rule?

One Iowa Workforce Development administrative staff member administers this program. 260F programs occupy approximately 45% of her time.

Do the costs justify the benefits achieved? Please explain.

Yes. Community colleges assist our local workforce entities to provide advanced training opportunities which benefit our business communities.

Are there less restrictive alternatives to accomplish the benefit? ☐ YES ☒ NO

If YES, please list alternative(s) and provide analysis of less restrictive alternatives from other states, if applicable. If NO, please explain.

260F programs have efficiently run for a number of years. At the present, the legislature has not indicated an alternative option.

Does this chapter/rule(s) contain language that is obsolete, outdated, inconsistent, redundant, or unnecessary language, including instances where rule language is duplicative of statutory language? [list chapter/rule number(s) that fall under any of the above categories]
