

NDEAM WEBINAR SERIES

Digital Accessibility

Join us virtually for a one-hour overview of the six essential online modules designed to introduce the fundamentals of digital accessibility. This session will provide a high-level walkthrough of key concepts and practical techniques from Easterseals Iowa's Digital Access for Everyone online course. This will help make digital content more inclusive and user-friendly for everyone. Whether you're new to accessibility or looking to refresh your knowledge, this overview will help you understand the importance of accessibility and how small changes can make a big impact.
