

Project-Based Learning

Sample Project Timeline

Phase 1: Launch (1–2 Weeks)

- Introduce employer and industry
- Define challenge and deliverables
- Establish expectations

Phase 2: Research & Discovery (2–4 Weeks)

- Gather information
- Conduct interviews
- Analyze data

Phase 3: Solution Development (2–6 Weeks)

- Create recommendations
- Develop prototypes or products
- Receive employer feedback

Phase 4: Presentation & Reflection (1 Week)

- Present findings to employer
- Receive feedback
- Reflect on learning
