If you are paid \$10.00 or more in unemployment insurance benefits, lowa Workforce Development (IWD) will mail a form 1099-G listing the amount of benefits paid to your address of record by January 31. The 1099-G also will list the amount(s) of any federal and/or state taxes withheld the previous year.

Effective 2025, the state of Iowa has changed its tax withholding to 3.8%. Despite this change, IWD is required to continue withholding the standard 5% due to the section of Iowa code that governs the agency. Until that separate section of code is able to be amended, IWD will continue to withhold at the required rate of 5% when a claimant elects state tax withholding. Please watch our website, workforce.iowa.gov, for future updates.
