NUMBER OF UI RECIPIENTS

DURATION OF UI BENEFITS

- Recipients represent the number of persons receiving at least one UI benefit payment during the month.
- The number of UI recipients for January 2022 (28,469) increased by 10,896 from the recipient number in December 2021 (17,573) and decreased by 17,651 when compared to January 2021, (46,120). There were higher seasonal, temporary claims in construction and manufacturing industries.
- The maximum duration of UI benefits for most UI claimants is 26 weeks. Duration measures the 12 month average of regular UI benefits only.
- The duration of benefits was 13.0 weeks for January 2022, a decrease from the previous month, December 2021 (13.5 weeks) and a increase from January 2021 when the duration of benefits was 12.4weeks.

Source: Iowa Unemployment Insurance Statistics. Note: The UI system was primarily designed to serve people who lost their last job. These characteristics do not necessarily reflect job leavers, new entrants, reentrants, and benefit exhaustees. Only regular UI claims are represented here. Typically about 35% to 45% of unemployed persons are receiving UI benefits in Iowa. This may be higher during recessions.
